

Board of County Commissioners

INTER-OFFICE MEMORANDUM

DATE: February 22, 2005
TO: Tony Park, P.E., Director of Public Works
FROM: Joe Brown, P.E., Director of Engineering Services
SUBJECT: River Oak subdivision

I have reviewed the final reports furnished by the appropriate reviewing agencies. This is a re-subdivision of a portion of an existing limited partition into five lots and no new infrastructure is required. It is my recommendation that the Board of County Commissioners approve the plat for recording in the public records.
